Hello everyone,

Well, spring has sprung and summer is on it's way! The residents have been busy the last couple of months. In March they enjoyed fish dinners from Sacred Heart Church, which was very good. Everyone Celebrated St. Patricks Day with Lynn Wellman. The birthday party was celebrated with Lamar Pilsing and "happy hour" had entertainment by Bryan Foggs.

April, the ladies made Easter bonnets for our Easter bonnet parade on the 14th. Our ladies are very talented. They did an awesome job. In fact we had 3 winners for best decorated hats. They were Shirley B., Louise S., and Doris W.. Congratulations ladies!!!! Also on the 14th, they decorated Easter eggs. It was a Little messy but they did a very colorful job!

Everyon celebrated Easter with an Easter egg hunt for the kids and grandkids of staff and grandkids and great grandkids of the residents. Of course the Easter bunny made his special appearance to make sure the kids found all the eggs and he ever had punch and cookies with everyone! After his punch and cookie, he headed off to hide more eggs. Everybody else enjoyed sitting outside on the patio and enjoyed the nice weather and visiting. It was a great day for all!!

Everyone enjoyed great entertainment by John Scott, Tim Laramore, Don Stevenson, and Riga Duo.

Some of the residents enjoyed a mystery lunch out to Washington, Mo. down on the river front to Marquart's Landing. If you haven't been there, it is really a neat place to eat. There has been bus rides and bus rides to get ice cream. You know they all like the bus ride for an ice cream! There will be more bus rides and more ice cream!

May we will be celebrating National Nursing Home Week. It starts May 14th – 20th. The theme this year is "The Spirit of America"! Come join the fun!

Till Next Time!

HAPPY MOTHER'S DAY!

YOU KNOW YOU ARE A MOTHER WHEN.....

You count the number of sprinkles on each kid's cupcake to make sure they are equal.

You have time to shave only one leg at a time.

You mastered the art of placing food on a plate without anything touching.

You hire a babysitter because you have not been out with your husband in ages, then you spend half the night talking about and checking on the kids.

You hope ketchup is a vegetable because it's the only one your child eats.

You hear your Mother's voice coming out of your mouth when you say, "Not in your good clothes."
